

# VISITING GONZAGA IN FLORENCE

Parents & family are welcome to visit the Gonzaga in Florence program during the semester your Zag is a participant. The Study Abroad Office hopes the following guide will assist you in your planning.

## WHEN to GO

- ⇒ The GIF semester [calendar is online](#) and provides dates of holidays and important academic periods. Classes are Monday through Thursday.
- ⇒ GIF will host a **Family Weekend** each semester. Watch parent monthly emails for more information! Monthly emails begin after your student has been accepted and paid his/her deposit.
- ⇒ We ask that when visiting you **AVOID mid-terms and the week of finals** so your student can focus on his/her academics.
- ⇒ The school sponsored travel weekends are scheduled throughout the semester, approximately 4-5 per semester. There is typically a sponsored travel weekend program over Thanksgiving and Spring Break. Approximately 2 months prior to the start of the program, students will be given the trip dates and destinations.

## WHERE to STAY

- ⇒ The GIF program does not have or provide accommodations for visitors or alumni. Refer the links to the right for nearby options.
- ⇒ Due to Italian government regulations, visitors are not permitted to stay overnight with students in their pensione.
- ⇒ In some cases, depending on the pensione, students can often make arrangements for their visitors to stay at other pensione (sometimes at a discounted price) owned by their pensione managers. GIF participants should contact the pensione manager about this upon arrival.
- ⇒ GIF participants will be given the specific GIF center address and housing details during the semester prior to their departure once it is available.
